

Tapsations strike up the band at Harbor Healthcare

Jul 14, 2013

Rich Foti and The Tapsations entertained about 50 residents and staff members at Harbor Healthcare in Lewes July 3 with their Stars & Stripes program. The event featured a medley of toe-tapping and flag-waving American tunes performed by vocalist Foti and the dancers, who give shows throughout the year for groups at community events, nursing homes and hospitals.
